## **2020 MBE PROGRAM SUBGOAL WORKSHEET**

This Worksheet must be completed for all procurements that have an overall goal. It requires the approval of the Procurement Officer and the MBE Liaison, who also must sign the Worksheet. Each unit must maintain a copy of the Worksheet as a part of the Procurement Review Group (PRG) documentation for the procurement.

Agency/Unit:			
Project Description:	Solicitation No.		
Approvals:			
Signature of Procurement Officer	Date		
Signature of MBE Liaison	 Date		
1. What is the expected value of the procurement (excluding options)?	\$		
2. Does the expected value of the procurement equal or exceed \$200,000?	( ) Yes ( ) No		
<ul> <li>✓ If YES, completion of the rest of this Worksheet to determine the mandatory.</li> <li>✓ If NO, the unit may, at its discretion, determine that subgoals whowever, the unit determines that subgoals should be set, the recompleted to determine the appropriate subgoals, if any.</li> </ul>	ill not be set for the procurement. If,		
3. Select, from Table 1 below, the Major Industry Category for the procurement based on the definitions in COMAR 21.01.02.01.			
4. What is the Combined Industry Category, from Table 1 below, based on the Major Industry Category selected for the procurement in Step 3?			
TABLE 1 – INDUSTRY CATEGORY CONVE	RSION CHART		
Major Industry Category	Combined Industry Category		
Architectural & Engineering	AE-CRS		
Construction	Cons		
Construction Related Services	AE-CRS		
Human, Cultural, Social & Educational Services	Serv		
IT Services	IT		
IT Supplies & Equipment	ІТ		
Maintenance	Main		
Services	Serv		
Sunnlies & Fauinment	CSF		

5. Check the appropriate column for the Combined Industry Category in Table 2 below based on the answer to Step 4.										
6. What is the Subgoal Total Plus 2% Margin shown in the last										
line of Table 2 below for the Combined Industry Category?						%				
7. What is the overall MBE participation goal for the										
procurement?						%				
8. Does the overall MBE participation goal for the procurement										
equal or exceed the Subgoal Total Plus 2% Margin? (Compare										
	and 7)		( ) Yes ( )	No						
	•	eed with the remainin	•		et.					
	☑ If <b>NO</b> , do not set any subgoals for the procurement.
