

NET ZERO ENERGY ADD ON INCENTIVE REQUEST FORM

This form is to be submitted for any project that is considering requesting the Net Zero Energy (NZE) incentive at the Ed Spec, SD, DD and CD phases. It's understood that not all information requested in this form will necessarily be determined at earlier phases of design but the intent is to provide design goals as the project progresses until such time as the exact information is available. The incentive will be confirmed at the point in which the project information is provided at the level of detail required to confirm the project is designed to achieve site NZE.
