Interagency Commission on School Construction

Active Funding Program Summary
Built to Learn Program

Purpose:	Provides for up to $2.2 billion in school construction project funding through Maryland Stadium Authority (MSA) issued special revenue bonds and provides for management of the projects by MSA.
Application Period:	Applications are accepted on a rolling basis.
Minimum Project Cost:	$4,000,000
Eligibility:	· Existing buildings, new construction, and relocatable classrooms. · Capital maintenance/systemic renovation projects that typically address the replacement or upgrade of a single category of work (HVAC, lighting, etc.). · Combinations of categories are considered when integrally related and justified.
Funding Allocation Methods:	· Calculated allocations based on estimated bond proceeds are set for Anne Arundel County, Baltimore City, Baltimore County, Frederick County, Howard County, and Montgomery County. · The other 17 LEAs share the remainder of the allocations, capped in proportion to their September 2019 enrollments. · Maximum State Allocation is established for individual projects. · Funding allocations must be used within 10 years of award.
State/Local Participation:	State/Local cost share % applied.
Staff Role:	· Review project eligibility. · Establish project budgets. · Recommend project planning/funding to the IAC.
IAC Role:	· Approves project scope and allocations.
Procurement:	· MSA or LEA as defined by each project's Memorandum of Understanding (MOU).
Payment/Reimbursement:	Payment is processed by MSA as defined by each project's MOU.
