

Design Development Document Submission Form
IAC/PSCP Form 302.1

LEA: _____

Date: _____

Project title: _____

PSC Number: _____

Architect/Engineer: _____

Date of approval of Schematic Design by the Interagency Committee: _____

Do the design development documents submitted herewith follow the concept of the schematic design? _____

If no, list changes: _____

The following items are included with this submission (submit three copies as directed):

- Narrative Descriptions
- Outline Specifications
- Site & Civil Drawings
- Architectural Drawings
- Structural Drawings
- Mechanical & Plumbing Drawings
- Electrical Drawings
- Listing of Alternates
- Geotechnical Report
- Electrical Calculations
- Electrical Power Requirements
- Mechanical Calculations
- Energy Consumption Certification Letter
- Life Cycle Cost Analysis
- Life Cycle Cost Analysis Summary (Form 302.2)
- Design Development Document Analysis (Form 302.3)
- Cost Estimate Summary & Worksheet (302.4)
- Other; describe: _____

Note: each item must reflect date of issue.

I hereby request that these design development documents be reviewed and approved as submitted.

Authorized LEA Signature: _____
